Welcome to all band instrument players who have graduated from a High School Band Program or have taken private lessons on a Woodwind, Brass or Percussion instrument. Maybe you haven't played your instrument for many years and your instrument is hiding in your closet. You need to dust it off and start playing again.

We play at a comfortable B-300 level and we play all genres of music from Holst to MacKay or from the Beatles to Abba or from Mozart to Broadway musical selections.

Second Wind is an opportunity to continue to play your instrument while networking with like minded community citizens.
