

Nova Scotia Band Association Student Recognition Award

The NSBA hosts an annual award to recognize students from our school music programs who exemplify the qualities we work to develop through participation in the school band program. The award honours the band student who displays

- Ability ▪ Respect ▪ Responsibility ▪ Leadership ▪ Dependability
- Loyalty ▪ Cooperation ▪ Hard work ▪ Sets positive example for peers

and other qualities of conduct which school instrumental music programs strive to impart. Each band director who is a member of the NSBA is eligible to recognize one student from the Middle School Level (grades 6 – 9) and one from the Senior High School Level (grades 9 – 12) from each school(s) s/he teaches in. Those who are not current NSBA members may pay the \$40 registration fee to be a member for the next school year.

Over the past few years the number of schools and students participating in the luncheon has been decreasing. Because of this, we will not be hosting a luncheon this year. It is our hope that band directors will honor their students by giving out the plaques at their spring concerts and school awards night.
