

Nova Scotia Honour Jazz: 2023-2024 End of Year Report

50 students registered for this season, with 39 attending the first session and 42 at the second. The final session will be held Mar 22-24. Ensembles offered this year were: Vocal, Junior Combo, Intermediate Combo, 2 Senior Combos, Big Band, and The Funk Unit. Our first weekend was at Truro Middle School, the second at NSCC Dartmouth, and the third will be at St. FX.

St. FX music faculty members Kenji Omae, Jake Hanlon, Anthony Michelli, and Adrean Farrugia will be performing for the students on the Saturday of the 3rd weekend and will then work with the student in instrumental masterclasses. This is being done free of charge. St. FX is also providing lunch to the students on Saturday and Sunday.

Based on projected attendance and expenses for the final weekend, we should finish with a surplus of approximately \$280.
